

BRITISH COLUMBIA SOCIETY OF LANDSCAPE ARCHITECTS PUBLICATIONS LIST & ORDER FORM

Sitelines Annual Membership and Firm Roster

British Columbia Society of Landscape Architects (BCSLA) is proud to work with Naylor (Canada) Inc. to publish the *Sitelines Annual Membership and Firm Roster*. The Annual is a terrific resource that lists BCSLA Members and suppliers by name and by firm. More than 1,200 copies are circulated free of charge to BCSLA Members, affiliated businesses, industry and government agencies.

Sitelines Newsletter

Over 550 copies of *Sitelines* are distributed to registered landscape architects, landscape architect, intern landscape architects, private and public sector, landscape suppliers, educators and other professional associations across Canada. The newsletter is circulated in February, April, June, August, October and December. The PDF version in full colour is available online at www.sitelines.org.

BC Landscape Standard – 7th Edition

The 7th edition of the Standard has been prepared by a joint committee of the BCSLA and the BC Landscape and Nursery Association (BCLNA). Since its initial publication in 1982, the BC Landscape Standard has evolved and expanded with the voluntary efforts of a wide range of individuals and organizations. Ten dollars from the sale of each BC Landscape Standard will go towards funding the development and publication of the 8th Edition of the Standard.

BC Standard for Extensive Green Roofs (June 2007 Edition)

An essential reference for design professionals involved with this technology. Green roofs may be categorized into two types, intensive or extensive, depending on the vegetative cover and planned usage of the roof area. The design intent is a key factor in determining media depths and plant selection. This Standard deals exclusively with extensive green roofs.
