### **Accommodation Options**

BCSLA has secured two hotel guest room blocks at reduced rates for conference delegates at the JW Marriott Parq Vancouver and the Georgian Court Hotel (subject to availability). Please visit <a href="http://www.bcsla.org/events/2018-bcsla-annual-conference-showcase-agm">http://www.bcsla.org/events/2018-bcsla-annual-conference-showcase-agm</a> for details.

#### **Getting There**

We recommend that you take public transit or carpool out of respect for the environment. The venue is a 10-minute walk from the Stadium-Chinatown Expo Skytrain Station (exit towards BC Place).

## **Parking**

Valet and self-parking amenities are available on-property 24 hours a day at Parq Vancouver for casino, hotel and restaurant guests. Pay parking is in effect at all times and operates on a pay-by-plate environment. Please be sure to remember your license plate to register your vehicle and pay for parking.

Parq Vancouver's underground self-parking garage is located directly beneath the Resort. From Pacific Boulevard heading North, past Nelson Street, it can be accessed by turning left onto Smithe Street. Heading South on Expo Boulevard, there is an entry ramp accessible from the left lane prior to the Smithe Street intersection. Please note that the Smithe Street access, from Pacific Boulevard, may intermittently be closed to the public or subject to restricted access, during events hosted at BC Place or Rogers Arena.

#### **Conference Registration**

On the first day that you attend the BCSLA Conference please check-in at the BCSLA registration desk located at the Conference Centre Entrance and pick up your delegate badge. Your delegate badge is your admission to all conference activities. Be sure to have your badge with you at all times.

# **Showcase of Products & Services**

BCSLA is grateful for the support of our loyal exhibitors and program supporters. Please take the time to visit all of the Showcase Booths located in the Okanagan Ballroom to thank them for participating and to learn more about their products and services. The funds that they provide to support the BCSLA ensure that we continue to offer BCSLA Members the programs, services and activities throughout the year.

#### **Tours**

The tours will leave on time (rain or shine). Be sure to check in and out with the volunteers. Please remember to wear sensible footwear and dress appropriately for the climate. Bring sketching material with you if you are on the Urban Sketching Tour. No pets please.
