

CWRA BC Branch Conference 2015

Floods, Droughts, & Everything In Between

November 18-19, 2015
Vancouver, British Columbia

REGISTRATION IS NOW OPEN!!

REGISTER HERE: <https://www.regonline.com/cwrabc2015conference>

The BC Branch of the Canadian Water Resources Association seeks to advance existing common ground between scientists, practitioners and decision-makers, and to establish new ways forward for informed adaptation. The conference will address a wide range of resource management and environmental sciences topics including:

- Water quality and ecosystem health
- Policy, planning and governance
- Floods, droughts, and extreme events
- Water, energy and natural resource extraction
- Hydrodynamics and hydrometrics
- Special Session: Human Health and Water

Conference registration is now open and fees are posted here:

www.cwrabc.ca/conference/registration

Conference programme is posted in draft here:
