CANADIAN SOCIETY OF LANDSCAPE ARCHITECTS &

OF LANDSCAPE ARCHITECTS

CONGRESS VANCOUVER - 2019

Awareness, Acknowledgement and Engagement –
Landscape Architecture and Reconciliation

your invitation to sponsor

The Canadian Society of Landscape Architects (CSLA) in partnership with the British Columbia Society of Landscape Architects (BCSLA) is pleased to announce the **2019 Congress Invitation to Sponsors and Exhibitors**.

The Congress is the premier networking and educational event for the growing Canadian landscape architecture profession. The event brings together major decision-makers from Canada's landscape architecture profession, including landscape architects from private practices, educational facilities, municipalities, government ministries and agencies. The Congress provides a rare opportunity to engage with a cross-section of industry leaders.

We invite you to join us for the 2019 Trade Show or to participate as a 2019 Congress Sponsor to increase your company profile and remind our design professionals about quality services, new and innovative products, and leading-edge technology that can be used by landscape architects in their offices and projects.

We anticipate that over 200 delegates will register for the CSLA Congress. In addition, the 2019 Trade Show will be open to the delegates of the BC Land Summit: <https://www.bclandsummit.com/>

We look forward to your support as both a sponsor, exhibitor and participant.

The theme of the 2019 Conference is **Awareness, Acknowledgement and Engagement – Landscape Architecture and Reconciliation**

In 2007 the Truth and Reconciliation Commission of Canada (TRC) was established as part of the legal settlement of the largest class-action lawsuit in Canadian history. Between the 1870s and 1996 over 150,000 indigenous children were placed in residential schools as part of an organised effort to wipe out aboriginal culture in Canada. In 2015 the TRC released its report including 94 Calls to Action which invites all Canadians to read, adopt, and change behaviour and practices in the ongoing process of truth finding and reconciliation with Indigenous people in this country.

Since the release of the TRC Calls to Action the national dialogue on Indigenous issues has been growing. The 2019 CSLA Congress will explore three pillars: a) acknowledgement, b) awareness and c) engagement.

location and dates

The CSLA Congress will be held at the Westin Bayshore Hotel, 1601 Bayshore Drive, Vancouver, BC from Tuesday, May 7th, to Wednesday, May 8th, 2019. The 2019 BC Land Summit will follow at the same venue. Please see <https://www.bclandsummit.com/> for details.
