What would respondents like to see from their Associations?

- Top priority: more online professional educational events
 - Current resources and opportunities that are being sent are appreciated
- Mixed opinions on Covid-19-related communications and events
 - Wanted: updated information on essential services and what practices are/are not allowed, best practices during Covid-19, information summaries relevant to landscape architecture
 - Not wanted: general Covid-19 information that is available on government websites
- Support and advocacy:
 - Employment resources/support for recent graduates and unemployed people
 - Advocacy, action and resources for equity, racial justice and reconciliation within the profession; support for Black and Indigenous members and associates
 - Mental health and wellness resources
- Virtual Networking:
 - Sharing best practices during Covid-19, featuring examples of projects and firms

What do respondents want to be asked next?

- Have you experienced changes in work hours/pay? Has your office laid off interns or hired summer students?
- How can we (members, associates, and associations) support each other in mental health, safety, and wellbeing?
- How are you handling team dynamics, client meetings, site visits, etc.? Have you transitioned back to in-office work?

Comments on the Survey:

- Confusion about how to rank priorities question – please specify whether 1 or 5 is the top priority
- Regarding changes to work location, please add an option for split time between home and the office

Thank you for participating!
