

BCSLA Scholarship Winners | Dr. John Wesley Neill Medal and Prize – May 2023

The British Columbia Society of Landscape Architects provides the Dr. John Wesley Neill Medal and Prize to the outstanding graduating student in Landscape Architecture. The award recognizes that student who has demonstrated a high level of academic achievement, leadership ability and commitment to ideals of the profession and includes a \$1,000 stipend. While the travel stipend can be used for any travel project it is suggested for attendance at the annual meeting of the International Society of Arboriculture ISA (held in North American city in August of each year). The award honours the founder of the program in Landscape Architecture at UBC and is made on the recommendation of the School of Architecture and Landscape Architecture in consultation with the Faculty of Graduate Studies.
