THANK YOU & GIVING BACK

The BC Society of Landscape Architects is pleased to recognize the contributions of the many participating presenters at the 2018 BCSLA Conference while giving back to the community. In lieu of traditional presenter gifts, we will make a donation on their collective behalf to a non-profit organization that reflects the values of the BCSLA and our Members. This year we are pleased to report that the **Stanley Park Ecology Society** has been selected by the BCSLA Conference Program team.

ENERGY 2018
