

## SEE WHAT'S NEW AT SPECIMEN TREES

**Specimen Trees Wholesale Nurseries Ltd.** and your BCSLA Continuing Education Committee are pleased to invite BCSLA Members and guests to join in a fun and educational event at the Specimen Trees Nursery.

Come familiarize yourself with the current crop of shade trees, both new varieties and old standbys. Many new cultivars of small trees/large shrubs will be on display. Bring your questions and your cameras to see new exciting selections for your future designs.

In addition, Specimen Trees will provide a complimentary lunch as you will have walked up an appetite! There is no charge as Specimen Trees is generously sponsoring this event.

Please wear sensible shoes as you will be walking in nursery conditions. The tour will take place rain or shine, so please remember to bring a hat and wear sunscreen if it is sunny and that there will be some mud if it is raining. As well, please leave all pets at home. Many thanks to Specimen Trees for hosting this event.

**Saturday, September 13, 2014 - 9:00 am to 1:00 pm**

**Specimen Trees Nursery 18598 Advent Road, Pitt Meadows**

Please arrive early. Tour will start promptly at 9:00 am.

Please register at <http://www.bcsla.org/civicrm/event/info?reset=1&id=3> by 12 noon, September 9, 2014 to confirm your attendance.

We encourage everyone to participate. Attendees interested in carpooling to the event as a driver or a passenger should contact the BCSLA office.
