

BUILD A CITY. BUILD A FUTURE.

ARBORIST (AUXILIARY)

As one of the fastest growing cities in Canada, City of Surrey is a globally recognized leader in building vibrant, sustainable communities through technology and innovation. City of Surrey employees are talented innovators, inspired by meaningful work and the opportunity to drive our city—and their careers—forward. Build a City. Build a Future at the City of Surrey.

The Planning and Development Department is seeking a hardworking and self-motivated individual to add to their team. As an Arborist, you will be responsible for office and technical field work related to the administration of Surrey's Tree Preservation By-law. This includes reviewing permits, applications, reports and legal documents related to single-family, multi-family, commercial and industrial development. You will be responsible for advanced level technical work.

Responsibilities include:

- Reviewing arborist's reports and tree cutting permits
- Reviewing landscape plans
- Calculating fees and securities required for tree cutting permits and landscape plans
- Working with planners and management
- Responding to inquiries
- Making recommendations and decisions regarding landscape related risk and design

You will demonstrate knowledge of OCP's, NCP's, BCLNA Landscape Standard, arboriculture, tree risk assessments, bylaws and landscape construction. You will have knowledge of software applications related to the work. You will also be required to understand and interpret reports, and be able to effectively write reports

The successful applicant will have the ability to work independently with limited supervision.

Qualified applicants will have the following:

- Degree in Landscape Architecture
- Minimum of three years related experience
- Valid BC Driver's License
- ISA Tree Risk Assessment Qualifications
- ISA Certified Arborist

This job posting will close on December 7, 2018.
