

LANDSCAPE ARCHITECT/DESIGNER

LANARC

At Lanarc we connect design, planning, and community engagement to support our changing communities to meet the needs of tomorrow. We are known for our quality, collaboration, and leadership in urban design, green infrastructure, and environmental planning.

ABOUT LANARC:

- ▶ We are an established firm, led by professionals with 30+ years of experience. We are located on Vancouver Island and in the Lower Mainland, with our head office in Nanaimo and supporting offices in Victoria and Vancouver.
- ▶ We specialize in landscape architecture, planning, and community engagement projects and undertake work that spans all scales – from helping a community envision their 20-year future to collaborating with contractors to get a playground into the ground. We love variety and challenge.
- ▶ We work with fantastic public and private sector clients who share our goals for creating sustainable and resilient communities. Our clients keep coming back for thoughtful help.
- ▶ We make engagement a hallmark of our work. We believe that effective community participation promotes understanding and recognizes citizens' needs to be part of the decisions that affect their lives.
- ▶ We are intentional about who we hire – always working to build and maintain a team that is collaborative, creative, and kind.

FOR THIS ROLE WE NEED SOMEONE WHO:

- ▶ **Has strong design and graphic skills** – creates site-sensitive design approaches and communicates visually by creating clear and captivating graphics.
- ▶ **Has excellent written communication skills** – demonstrates the ability to figure out what to say and how to say it clearly and concisely. Report layout and editing skills are an asset.
- ▶ **Has a strong technical skillset** – develops and works on interdisciplinary AutoCAD drawing sets and supports projects from conceptual design through detailed design and construction.
- ▶ **Enjoys variety and challenges** – embraces that our work is rarely 'cookie-cutter' and spans broadly within the realms of landscape architecture, planning, and community engagement. Each of our projects is unique.

SKILLS & EXPERIENCE WE'D LIKE TO SEE:

- ▶ **School:** Degree in Landscape Architecture or related profession
- ▶ **Work Experience:** Intermediate, ~3-5 years
- ▶ **Computer Skills:** Adobe Creative Suite, MS Office 365, and AutoCAD. Sketchup, Twinmotion, Lumion, or other 3D Visualization Software skills are an asset.
- ▶ **People Skills:** Confidence and an ability to work well with others. We value our team relationships and are looking to add people who contribute to a positive, friendly atmosphere.

SALARY:

- ▶ Expected salary range for this position is \$65,000 - \$80,000 per year.

LOCATION:

- ▶ While our projects take us throughout BC and beyond, we are seeking to add to our main location in Nanaimo. The downtown Nanaimo office location offers views over the harbour and easy access from across the city. We believe that Nanaimo is one of the best places to call home – and we're proud to be part of making it an even better place for the future.
- ▶ We also have offices in Vancouver and Victoria, and we would consider a position at one of those locations for the right candidate. Our goal is to find the best person for our evolving team.
