

Career Opportunity - Landscape Architect/Designer

Take one extraordinary landscape, and add one extraordinary architect, and what do you get? An extra-extraordinary opportunity for the best and brightest Landscape Architect/Designer to build dreams while building trails; to design lifestyles while designing landscapes; to grow a career while developing strategies. Here at Tract, we are passionate about design and believe it significantly improves the wellbeing of our communities, environments, and the people who enjoy them. We are PlaceBuilders™.

We are Tract Consulting – a multi-disciplinary landscape architecture, engineering, planning and design firm in Newfoundland and Labrador. This province is a natural wonder, and we take deep pride in adding to the beauty of this place and working with the rugged, inspiring landscape of all of our projects. We seek a vibrant, talented Landscape Architect/Designer to join our award-winning team of professionals.

Here's what you need:

- Master's or Bachelor's degree from an accredited Landscape Architecture program
- Minimum 5 years of experience as a landscape architect and/or landscape designer
- Advanced design skills
- Comprehensive graphic ability, and experience with AutoCAD and Photoshop

We offer:

- An opportunity to grow your career by working on diverse projects alongside a multi-disciplinary, collaborative team
- Competitive remuneration and benefit package
- Professional growth and development

Please email a resume with cover letter to: admin@tractconsulting.com
Deadline to apply: March 31, 2023
