### Aim

I am looking to work on truly interesting projects with an forward-thinking company, that will allow me to deliver fantastic results by using my current skill set, while growing professionally. I hope to become an accredited Landscape Architect in the future.

### Experience

#### Landscape Designer - City of Rockingham, WA, Australia

03/'18 - Current

I currently review planning applications for projects in the city and ensure that they meet all relevant legislation. I prepare cost estimates for all projects and identify any future assets for the city. I review all designs to make sure that the project will be successful for the city and that appropriate plants, materials and designs are being used.

#### Landscape Designer - KSLP, Whistler, BC, Canada

01/'16 - 07/'17

I had numerous responsibilities in this role, including but not limited to; AutoCAD drawings, conceptual designs and images, 3D modelling, project costing, site surveys and analysis, sourcing site furnishings and meeting with clients.

I worked on a wide range of types and size of projects, mainly in Whistler, but also elsewhere in BC. Most notably; Golfer's Approach Plaza redesign, Whistler Peak Sky-Walk conceptual design, Spring Creek School playground reimagination, One Mile Lake Park redesign, and numerous residential projects. Working alongside the local council ensuring all council requirements are met.

#### Freelance Designer

07/'16 - Current

- Pemberton Music Festival - Landscape Department Site Coordinator for Canada's largest camping music festival, with over 180,000 attendees.
- Ranga Landscapes - Designer of residential landscapes in Byron Bay.
- Laneway Cafe - Conceptual design for cafe in Byron Bay.
- Alpine Bike Parks - Trail designer for mountain bike trails across North America.

#### Store Manager - Fat Tony's Pizza, Whistler, BC Canada

08/'14 - 12/'16

I managed a team of 10 employees in a clean, efficient pizza shop. I took control of hiring, training, scheduling, orders and cash handling. Served late-night food in a

friendly and polite manner. Made a range of coffees to order on a commercial coffee machine. I was responsible for training, stock control and till duties.

### **Banquet Server - Westin Hotel, Whistler, BC Canada**

07/'17 - 12/'17

Helped set up conference rooms, meeting halls and bars for conferences of up to 500 people. Served drinks and cocktails to conference goers. Followed managers orders to ensure a smooth running of events for the hotel and the guests.

### **Professional Soccer Player - Drogheda United, Drogheda, Ireland**

06/'07 - 07/'07

Part of the national league winning squad and UEFA cup qualifiers. Worked daily as part of a 25 man squad to get the best out of every training session and win as many games as possible.

## Education

### **BSc Landscape Architecture - University College Dublin, Ireland**

09/'07 - 06/'12

Worked in studio on a wide range of solo and group projects; plant bed design, residential, streetscapes, plazas, parks and masterplanning.

Took classes including; plant ID and biology, urban planning, technical drawing, AutoCad classes, history of art and architecture and landscape architecture case studies.

## Applications
