Landscape Designer

PROFILE

BCSLA Intern with 9 years of international work experience in the field of Landscape Architecture. As a Landscape Designer and Project Manager I have collaborated on various multidisciplinary project teams. My project portfolio is comprised of projects that range from residential, commercial and municipal in both Germany and Canada. My personal focus, especially in my duties as a Contract Administrator, has always been to provide the highest quality product possible that fits the client's needs and budget.

HIGHLIGHTS

- 9 years of experience in the field of Landscape Architecture
- Understanding of design and implementation of complex projects that create a strong sense of place
- Managed projects ranging from \$20,000 to \$1.5 million dollars in scale as Project Manager
- Experience in Contract Administration with an eye for details and budget
- Excellent software skills: Vector Works, Auto CAD, Adobe Creative Suite, Microsoft Office
- Excellent communication and problem solving skills
- Class 5 driver's license

PROFESSIONAL EXPERIENCE

Landscape Designer / Project Manager

Outland Design Landscape Architecture, Kelowna, BC (www.outlanddesign.ca)
